# About Us.

## Introduction

Founded in 2016 by Mr. Radhey Shyam Sharma, our company is a leading provider of installation and engineering solutions. Built on the principles of quality, reliability, and innovation, we specialize in delivering comprehensive engineering services tailored to meet the dynamic needs of our clients across various industries.

With a strong foundation in technical expertise and a commitment to excellence, we have successfully executed a wide range of projects, establishing ourselves as a trusted partner for engineering solutions. Our team of skilled professionals combines experience and precision to deliver projects on time, ensuring the highest standards of safety and performance.

At our core, we focus on providing cutting-edge installation services, ensuring seamless integration of technology and infrastructure for industrial, commercial, and residential clients. By leveraging the latest tools and best practices, we aim to drive efficiency, productivity, and long-term success for our partners.

Under the visionary leadership of Mr. Radhey Shyam Sharma, our company continues to grow, evolve, and set new benchmarks in the field of installation and engineering. We take pride in fostering strong client relationships and delivering value-driven solutions that exceed expectations.

# Mission & Vision.

## MISSION

Our mission is to deliver exceptional rack installation and related services that ensure smooth, efficient, and reliable storage operations. We are committed to the delivery of quality workmanship, international standards, and on-time completion of projects to meet and exceed client expectations. We shall achieve business growth, long-term partnerships, and contribute toward the industrial and commercial storage demands of India by innovation, professionalism, and customer-centric solutions.

## VISION

To become the most preferred contractor of Industrial and Commercial Rack Installation Services in India and to be respected by our stakeholders for innovative, efficient, and qualitative systems that set the benchmark in storage and inventory management. We hope to further expand our footprint to emerge as a partner of choice for corporations across the country in creating world-class storage infrastructure.

# Our HSE Policy

At New Vishwakarma Engineering Work, health, safety, and environmental sustainability are the top priorities in all our operations. Our HSE Policy is a commitment to the protection of people, preservation of the environment, and upkeep of operational excellence.

- **Adherence to Standards:** Compliance with national/international HSE codes, laws, and customer requirements.
- **Risk Management:** Identifying, analyzing, and mitigating HSE risks to prevent injuries and accidents.
- **Environmental Care:** Reducing waste, conserving energy, and minimizing emissions.
- **Continuous Improvement:** Regular reviews, audits, and enhancements to the HSE management system.
- **HSE Culture:** Training and resources to foster a proactive safety culture among employees.
